

K-LOVE speaks life into me and my family. When I feel empty, lost, and need encouragement to go on, K-Love provides music that fills me up. GOD fills me up. GOD is in KLOVE's music and their encouraging words. NO commercials, pure music and happy people is so uplifting in a hard world.

By taking away K-LOVE, there will be no music to help me through the day, or encouraging words and Bible verses read to me.

I don't understand why anyone would want to take something so good away. It is completely good. We need goodness in this world. and that is what KLOVE provides in our community. In my life.
